INTRODUCING THE LATEST CLASSICS

A curated selection of styles now officially part of Só Dança's ongoing Classic Catalog.

This catalog highlights select products that have recently joined our Classic Collection, Só Dança's core assortment of styles we actively produce, replenish, and stand behind season after season.

These items are not limited runs or seasonal experiments. They are designs that have proven their place in studios, stores, and on dancers, and are now fully integrated into our long-term offering.

Think of this book as a focused companion to the Classic Catalog making it easy to discover what's new, what's current, and what's ready to be reordered with confidence.

HOW TO USE

All styles shown are considered part of the Classic Catalog

These products are currently in production and available for ongoing reorder.

Smaller, focused selection

This book highlights newly added Classic and Studio Line styles only—not the full assortment.

Use alongside the Classic Catalog

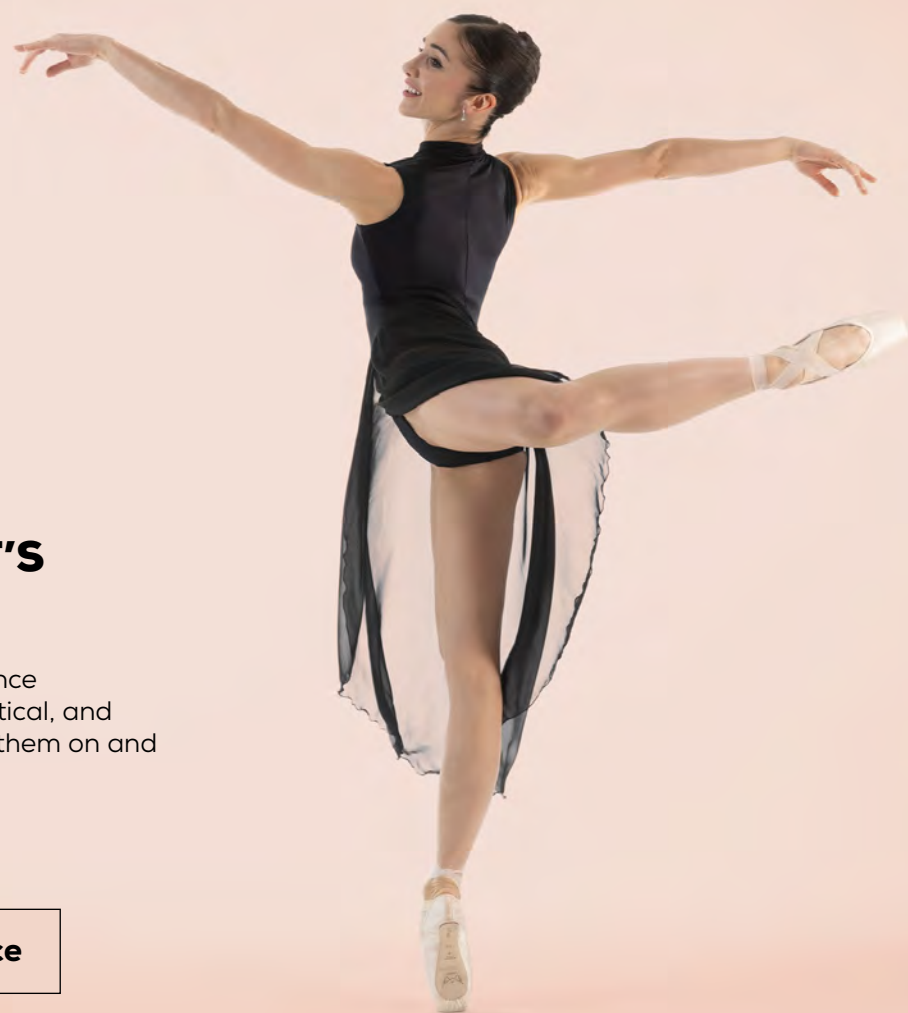

Refer to the main Classic Catalog for expanded colorways, size ranges, and related styles.

Ideal for reorders & new placements

Perfect for identifying fresh additions that are already proven and supported.

For full Classic assortment details, pricing, and availability, please reference the 2024/2025 Só Dança Classic Catalog or contact your sales representative.
